Re: Application of Lockhart Power Company for Approval of Experimental Rider IS-1
Tariff for Interruptible Power Service.
Docket No. 2010-149-E

Dear Ms. Boyd:

The Office of Regulatory Staff ("ORS") has reviewed the above-referenced filing and has no objection to the Application of Lockhart Power Company ("Lockhart Power") for approval of an experimental tariff IS-1 for its Interruptible Power Service. This new experimental tariff is offered by Lockhart Power as part of expanding its Demand-Side Management Program.

Thank you for the opportunity to provide comments in this matter.

Sincerely,

John W. Flitter

JWF/sh
